Participants Arriving Sick or Injured: Participants should not be dropped off or fly to trip start if they are sick or injured. General Gear

- Day Pack -
Basic two-shoulder backpack large enough to hold your lunch, two water bottles, snacks, extra layers, and rain jacket. Use your day pack as a carry-on for your flight and for daily activities or hikes. A standard school backpack is usually fine (no satchels or shoulder bags), as long as it is comfortable to wear.

- Sleeping Bag -
A lightweight, compact sleeping bag rated to 20 degrees Fahrenheit or less. We recommend either synthetic or treated down material. Your sleeping bag should compress into a stuff sack no larger than 20" in length.

- Sleeping Pad -
¾-length or full-length closed cell foam (thin and firm) or self-inflating.

- Flashlight or Headlamp

- Bowl, Mug & Utensils -
6" to 8" plastic dish or bowl with top, insulated plastic mug, spoon, fork, and knife. These don't need to be special camping utensils (a Tupperware dish and regular utensils are fine).

- 1-Liter Water Bottle

Footwear

- Sneakers -
Comfortable shoes with good traction.

OVERLAND

- Water Shoes** -
Closed-toed sport sandals, water shoes or old sneakers to wear on the water. Sandals must have a heel strap for activities such as kayaking, rafting, or canoeing (flip flops and Crocs are not acceptable).

Travel Documents

- Health Insurance Card** -
Please bring an original or copy of your health insurance card.
- Photo Identification** -
If you are not flying: Overland does not require photo identification. If you are flying within the U.S.: The TSA website has two relevant pieces of information. (1) "TSA does not require children under 18 to provide identification when traveling with a companion within the United States." This language indicates that TSA staff can insist that an under-18 year old who does not have a companion (we interpret this as a companion who is 18 or over traveling with them—not just checking them in) must have TSA-compliant identification. Our experience is that this requirement is inconsistently enforced but, since it might be enforced, we recommend that all Overland students who are flying to/from their trip have TSA-compliant identification. (2) "Contact the airline for questions regarding specific ID requirements for travelers under 18." This is always smart to do as airline policies vary widely and change frequently.

Miscellaneous

- Synthetic Camping Towel** -
A medium-size synthetic camping towel (synthetic camping towels dry much faster than regular towels).
- Travel Size Toiletries**
- Sunglasses**
- Sunscreen (SPF 15+) & Chapstick (with SPF protection)**
- Insect Repellent**
- Pillow (optional)** -
Compact, travel-size pillow recommended.

A digital or disposable camera.
- Personal Journal or Book (optional)**

Spending Money

- Spending Money & Miscellaneous Expenses** -
Each student should bring a debit card, an ATM card, or a prepaid Visa card to cover spending money and miscellaneous expenses. Spending Money: While all meals and activities are included in the trip fee, we

recommend \$25/week for spending money (for example: for souvenirs or an occasional drink or snack beyond what is provided to the group as a whole). Miscellaneous Expenses: Most Overland students will incur some expenses while traveling (for example: an equipment repair or baggage fees at trip end). Please add \$100 to the debit/ATM/Visa card (in addition to spending money), to cover these expenses.
